Royal Clipper's start of the voyage was Bridgetown Barbados

Royal Clipper awaiting embarkation of passengers in Barbados

01/21/2011 AM03:01

After seeing the elegance of Royal Clipper who would want to be on one of these things?
What could go wrong? (Costa Concordia!)

A Quick Tour of Royal Clipper Interior

The piano bar and lounge.

This is the bottom of the swimming pool that allows shimmering light to the dining room three decks below

The aft stairway leading to the dining room

The dining room (Food, excellent)

Looking forward towards the captain's table

Part of the dining room looking down from the piano bar

Place settings in dining room

The grand staircase

A nut for every bolt

The tropical bar aft of midships

Happy Hours at the Tropical Bar

Getting Royal Clipper under way

Setting the stay sail

A trip aloft

This will be good for his charter resume

A leisurely downwind sail
