Mark Eller, Commodore

Well, our first meeting of the year got much accomplished. Those that attended provided a great deal of input to the tentative planning of the upcoming shore and boating activities. I would like to cover what events were discussed and ask for some feedback prior to the planning committee's meeting on the 8th of February, where we will put a firm date and Raft Captain to some of these ideas.

As you can see on the next page, we are in dire need of "Raft Captains" for some of the events. For those that haven't "served" as a Raft Captain, it proves to be an interesting undertaking that will leave you with lifelong (hopefully good) memories. Please look at your calendar to see if you might be available to "take a turn" on one of the vacancies.

A.J. and I are hosting the planning committee meeting at our home on February

8th at 1800 (6:00pm for some). If you are interested in attending, please give us a call by the 5th so we can coordinate food and beverages. If you have ANY inputs to the schedule you would like to see incorporated or modified, please contact myself, Joan Savage or Mike Davis to provide your 2 cents worth.

Gerry Helldorfer has expressed an interest to do a DELMARVA circumnavigation. This is an excellent opportunity for anyone to "wet their whistle" on a blue water adventure. Please let Jerry or me know if you might be interested in this.

Thanks - I hope to be hearing from you.

Captain Mark - Commodore Fleet 11

Help update our information of the Club's membership. I've provided the form, below the raft-up schedule, to show what we now have in our membership database. Please check the information and bring the completed form to the next CCYC meeting.

Mike Davis, Ed.
